 Commissioner for Patents

Sir:

Attached to this letter is another copy of an Information Disclosure Statement (IDS) that was first filed on April 7, 2003 by first-class mail under 37 CFR §1.8. Applicant has learned, through a telephone conversation with the Examiner, that this IDS is not presently in the Patent and Trademark Office's file, and has therefore not been considered by the Examiner.

At the time of its first filing, the IDS was properly submitted because it was filed prior to the mailing date of a first Office Action on the merits in this case. See 37 CFR §1.97(b)(3). As evidence of its original filing date, the Office's attention is directed to the various signed certificates of mailing under 37 CFR §1.8 which are found next to every appearance of an attorney signature. "An information disclosure statement will be considered to have been filed on the day it was received in the Office, or on an earlier date of mailing if accompanied by a properly executed certificate of mailing or facsimile transmission under 37 CFR 1.8 ...." (Emphasis added.) MPEP §609B(1), page 600-131 (Rev. 2, May 2004).

In view of the above, it is respectfully requested that the office consider the information presented in the attached IDS, and return an Examiner-initialed copy of the 1449 form as evidence of that consideration.
